STOMACH DOSING WILL NOT CURE.

Only Way to Cure Catarrh is by Breathing Hyomei.

Ask any physician if catarrh is a blood disease and he will tell you that it is a diseased condition of the mucous membrane and that it cannot be cured by blood purifiers, pills, tablets or other forms of Stomach dosing. The only sensible and scientific way of curing catarrh is by the use of Hyomei.

Breathed for a few minutes, four or five times a day, through a hard rubber inhaler that is so small that it can be carried in the vest pocket, Hyomei will absolutely destroy all catarrhal germs and cure the disease. Penny, one of the most reliable firms in Stanford, giving his personal guarantee with every package of Hyomei he sells that it will effect a cure or he will return the money. He has had scores of reports of remarkable cures of both acute and chronic cases of catarrh by Hyomei.

The complete Hyomei outfit costs \$1, and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime; and additional bottles of Hyomei can be obtained for 50c.

In the test case of Dr. J. D. Collins against the County Clerk at Covington, Special Judge W. H. Mackoy decided that the new registration law of Kentucky is unconstitutional and enjoins the County Clerk from issuing the registration blanks. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. O. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by all Druggists.

Sour Stomach.

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by all Druggists.

The seven banks in Barren county had \$700,000 on deposit September 1, which is now the day for listing property for taxes. We'll bet a 10-cent ginger cake to a plugged nickel the total amount of cash listed for taxation is not \$150,000.—Glasgow Times.

E. C. WALTON

DEMOCRATIC TICKET.

For President.
ALTON BROOKS PARKER,
of New York.
For Vice President.
HENRY G. DAVIS,
of West Virginia.
For Judge Fifth Appellate District.
JUDGE JAMES E. CANTRELL,
of Georgetown.
For Congress.
GEORGE G. GILBERT,
of Shelby.

THIS is what Judge Alton B. Parker has to say about Rough Rider Roosevelt in enclosing a letter to the compilers of the democratic campaign handbook and which goes to show what kind of material he is made of: "I hasten to beg you to see to it that there is no word in it that reflects upon the personal honor and integrity of President Roosevelt. An Evening Post editorial indicates that but little care was taken in that direction toward myself by the compiler of the Republican text book, but let there be no rejoinder in kind or otherwise. I feel confident that you need no reminder, still my anxiety impels me to send this caution."

THE republicans are welcome to what consolation they can get out of the Maine election. Complete returns show their plurality to be 27,130, which is a net democratic gain of 6,256. The republican vote was increased 15 per cent., the democratic over 40. The democratic gains are in the manufacturing centres, the republican increase is mainly in the backwoods. The democrats gain seats in both branches of the legislature. The result is more than gratifying to the democrats who get much more than they expected.

THINK of the political necessity of being compelled to ask for an "honest count" of votes cast by republicans in a republican district in making choice for a republican nominee for congress in an election managed altogether by republicans. An "honest count" from such a source. The very idea is preposterous and physically impossible. If republicans in Kentucky thus refuse to give an honest count for each other what have democrats to expect at their hands when the factions are combined?

SINCE 1876 Indiana has gone in presidential elections four times republican and three times democratic. The average republican plurality in the years it carried the State was 13,410. When the democrats carried it the average plurality was 6,384. The democratic prospects this year are more flattering than for a long time.

THE executive committee of the 8th Congressional District has been called together by Chairman J. Norton Fitch for to day for the purpose of declaring Hon. G. G. Gilbert the democratic nominee for Congress in this district, no other candidate having entered. The meeting will take place at Nicholasville.

SENATOR A. P. GORMAN, of Maryland, has consented to act in an advisory capacity in the management of the National campaign for president. Good. He is the greatest political general known in politics to-day and Judge Parker's chances for election will grow brighter every day.

THE democratic State campaign committee decided to open the campaign all over the State on Oct. 3. Senators McCreary and Blackburn and probably democrats from other States will be among the speakers on the first day.

SPEAKING of pension executive orders, Roosevelt has a fine chance to make more republican votes by extending the system of government to the men constructively wounded in the third battle of Manassas.

WHILE writing his letter of acceptance Roosevelt sought most strenuously to avoid actually inserting, "I am the republican party and all that there is in government. In fact I am it."

GEORGE GOULD is said to have paid \$5,000 for a genuine British bulldog. Even that is a far better bargain than the one Anna Gould made when she bought a French bulldog.

"DON'T squeeze your waists to-night," said a lecturer before a congregation of dressmakers. And the girls thought him right because that is a man's work.

State Chairman Hager made a wise selection in appointing County Attorney Warren I. Allin chairman of the Mercer county democratic campaign committee.—Barrodsburg Democrat.

A prominent Democrat of Cincinnati who has just returned from the East says Hon. John G. Carlisle probably will make some campaign speeches in Kentucky, including one or two in his old district, the Sixth.

The democratic committee of the Eleventh judicial district met at Lebanon and declared Hon. Isaac H. Thurman the democratic nominee for circuit judge to fill out the unexpired term of the late Charles Patterson.

Bill Owens opened his campaign for congress in Louisville to an audience of 26 white men, the rest of the 81 being negroes and office holders. The accidental, one-term congressman is sure always to remain so.—Lexington Democrat.

Sam J. Pugh was nominated for Congress in the Ninth District by the Republicans in convention at Cynthiana over J. R. Bennett by a vote of 120 to 112. The Bennett supporters claim they were run over by the officeholders in the district.

Two children are left to mourn his loss. Peace to his ashes.

MATRIMONIAL.

Forrest Foley, 24, and Miss Boxle Reynolds, 18, will be married here tomorrow.

L. J. Tarter, 21, and Miss Hetty M. Murphy, 16, will be married at Marion Murphy's Thursday.

David Young, 21, and Miss Mary Thompson, 17, were married at Rev. J. M. Cook's at Highland by that gentleman.

This is what the Perry, Okla., Daily Republican has to say about the wedding of Miss Bessie E. Carson, daughter of Mr. and Mrs. J. E. Carson, who formerly lived in the East End, but now reside in Oklahoma: This morning, September 14th, 1904, at the home of the bride's parents, Mr. and Mrs. J. E. Carson, occurred the wedding of Prof. A. K. Gosson and Miss Bessie E. Carson.

At the morning hour of 9:35 these estimable young people appeared before a circle of near relatives and Rev. S. H. Parvin of the Presbyterian church with brief and appropriate ceremony pronounced them husband and wife. These friends are well and widely known throughout the city and this community. Prof. A. K. Gosson has for the past two years been the efficient superintendent of the public schools in the city of Perry. A larger field has opened up to him, as he has been called to a fine position in Hot Springs, Arkansas. His host of friends here will wish him abundant success, as he takes charge of the schools in that city. Miss Carson is favorably known in this community, having resided in this city a number of years. She is a young woman of excellent Christian character, of many accomplishments, of a winning disposition, and will make beautiful the home over which she has been called to preside. Their many friends will wish them prosperity and great happiness in their new home.

Mr. and Mrs. Gosson took the morning train at 10:28 for Hot Springs, Ark. Those attending the wedding from a distance were Mrs. Miller, Mr. Zac T. Miller and Miss Sallie Green.

Only Did His Duty as He Saw it.

"I deem it my duty to add a word of praise for Chamberlain's Colic, Cholera and Diarrhoea Remedy," says J. Wiley Park, the well-known merchant and postmaster at Wiley, Ky. "I have been selling it for three or four years, and it gives complete satisfaction. Several of my customers tell me they would not do without it for anything. Very often, to my knowledge, one single dose has cured a severe attack of diarrhoea, and I positively know that it will cure the flux (dysentery). AT a meeting of the candidates for the various offices in Lincoln county held pursuant to the call of county chairman, J. F. Holdam, at the court house at 2 P. M., Saturday, Sept. 17th, Mr. J. F. Holdam was elected chairman and R. M. Newland, secretary. On motion of W. A. Carson it was decided by a vote of 11 to 9 to hold a primary election for the purpose of nominating candidates for county offices in the month of December, 1904, and Chairman J. F. Holdam was directed to call the county committee together and fix a date sometime within the month of December, 1904, for the above stated purpose. Some of the candidates were not present at the meeting, but the month selected for the primary seems to be a satisfactory one to all concerned. The candidates were all unanimous for a primary, believing that to be the fairest method of nominating candidates, at the same time, giving the democrats a chance to vote for their choice for the different county offices.

BLACK - DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowel and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

ROCKVILLE, GA., Jan. 30, 1902.
Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent. better.

CHURCH MATTERS.

Rev. O. M. Huey is holding a meeting at Mt. Tabor.

St. John's Evangelical church, at Cannelton, Ind., celebrated its golden jubilee Sunday.

In the presence of 7,000 people at Zion Alexander Dowie proclaimed himself the First Apostle.

"I do not know whether I will be able to make any speeches this fall," said former Gov. W. O. Bradley in reply to an inquiry as to how many addresses he would make and where they would be delivered. "I am now on my way from a physician's office. My health is not good. Speechmaking excites my whole system. I desire to take part in the campaign."

What Is Life?

In the last analysis nobody knows, but we do know that it is under strict law.

Abuse of law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr.

King's New Life Pills quickly readjusts this. It's gentle, yet thorough. Only 25¢ at Penny's Drug Store.

In the case of Sheriff McInerney against Circuit Clerk Frank Droege at Covington, Special Judge J. M. Lassing refused to set aside the restraining order issued against Droege and holds that the law passed by the last Legislature making the circuit clerks instead of the sheriffs in second-class cities election commissioners is special class legislation, and is therefore unconstitutional and void.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such was the condition of an old soldier by name of J. J. Havens, Versailles, O.

For years he was troubled with Kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies, "I'm on the road to complete recovery."

Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50¢. Guaranteed by Penny, the Druggist.

Excellent service from South and Southeast. For information address W. C. Rinearson, G. P. A., Cincinnati, O. G. E. Clarke, T. P. A., Lexington, Ky.
